

## Description of the videos:

- **Beetle01.avi:** Reconstructed 3D model of a real beetle, rendered with estimated vertex colors.
- **Beetle02.avi:** Reconstructed 3D model of a real beetle, rendered without materials, to highlight the reconstructed geometry.
- **Protocyon.avi:** Reconstructed 3D model of a *protocyon* fossil (an ancient American wolf) , rendered with estimated vertex colors.
- **StatueA.avi:** Reconstructed 3D model of a bronze statue, rendered with estimated vertex colors.
- **StatueB.avi:** Reconstructed 3D model of a plaster replica of a statue, rendered without materials, to highlight the reconstructed geometry.
- **StatueC.avi:** Reconstructed 3D model of a marble statue, rendered without materials, to highlight the reconstructed geometry.
